

November 2021

Greetings,

COVID-19 has impacted us all in so many profound ways. Even with the introduction of COVID-19 vaccines this year, for thousands of women in the city, they are still at war on two fronts, COVID-19 and CANCER. Breast cancer patients and survivors are particularly vulnerable to having the worst outcomes from coronavirus. Since 2000, it has been the charge of Sisters Network Chicago Chapter to be a safe haven for women diagnosed with breast cancer.

Despite COVID-19, Sisters Network was able to serve cancer patients and survivors through our annual Breast Cancer Conference and Sista Strut 2021. Now, we need your help to make our efforts go even further! Will you consider donating to Sisters Network today? Here's how your donation makes a direct impact.

- Your \$25 donation pays for comfortable treatment clothes.
- A \$50 donation pays for transportation to chemo for 2 weeks.
- Your gift of \$100 provides family meals for 1 week.

While we are taking donations for this campaign through the end of the year, Sisters Network has an amazing opportunity during the month of November. For every \$100 or over donation you make until November 30th, The Coleman Foundation will double it. Yes, we will receive a dollar-for-dollar matching gift! Imagine how much this will help us lift the burdens of cancer patients and survivors.

The financial burden of cancer treatment and the economic instability due to COVID-19 is crushing many families. Sisters Network is providing vital financial assistance to survivors through the Breast Cancer Assistance Program (BCAP) which assists patients with utilities, rent/mortgage and other expenses not covered by insurance. Unfortunately, we were not able to convene for our biggest fundraising event this year, our fashion show, which means the funds we have available to serve is limited. We need your help.

While any donation you give this year is appreciated, if you are able, we would love for you to donate at least \$100 by November 30th so we can receive The Coleman Foundation match. These extra funds will go a long way in helping us achieve our mission of saving lives and alleviating burdens experienced by many breast cancer survivors.

If you have any questions about the organization or the services we provide, please give me a call at (773) 353-8854. SNCC is a 501(c)3 nonprofit. Your tax-deductible donation to SNCC can be made by check payable to Sisters Network Chicago Chapter and mailed to the address at the top of this letter. You can also make an electronic donation via Zelle using your bank app or website. Our account name is chicago@sistersnetworkinc.org.

With deep appreciation,

Annie Jones
